PFLAG Broomfield presents Broomfield's 3rd Annual Pride Event

Once again, PFLAG Broomfield is proud to bring the Broomfield PRIDE Party in the Park to the community. Pride Festivals are a vibrant celebration for all of us and our allies: lesbian, gay, bisexual, transgender, queer and questioning, intersex, asexual, and everyone included under the rainbow umbrella of +.

Last year, at our second annual Broomfield Pride, our community and our allies came out in droves, and we had the best party the city has ever seen in celebration of the LGBTQIA+ community. This year we expect no less than 1,000 attendees and we're inviting our friends to join us in making this year's party even bigger and better than before.

Our Pride celebration is an inclusive and welcoming gathering. We request that all exhibitors help us support this atmosphere by providing friendly and genuine service to all, regardless of race, creed, color, ethnicity, national origin, gender identity and expression, sexual orientation, age, physical or mental ability, health conditions, marital status, military status, citizenship, or any omitted protected classification in accordance with state, federal and municipal laws.
